3PL Service Scope

Locations

- Hong Kong
- Yantian
- Shanghai
- Vietnam
- Malaysia

Types

- Bonded
- Free Trade Zone
- Normal Warehouses

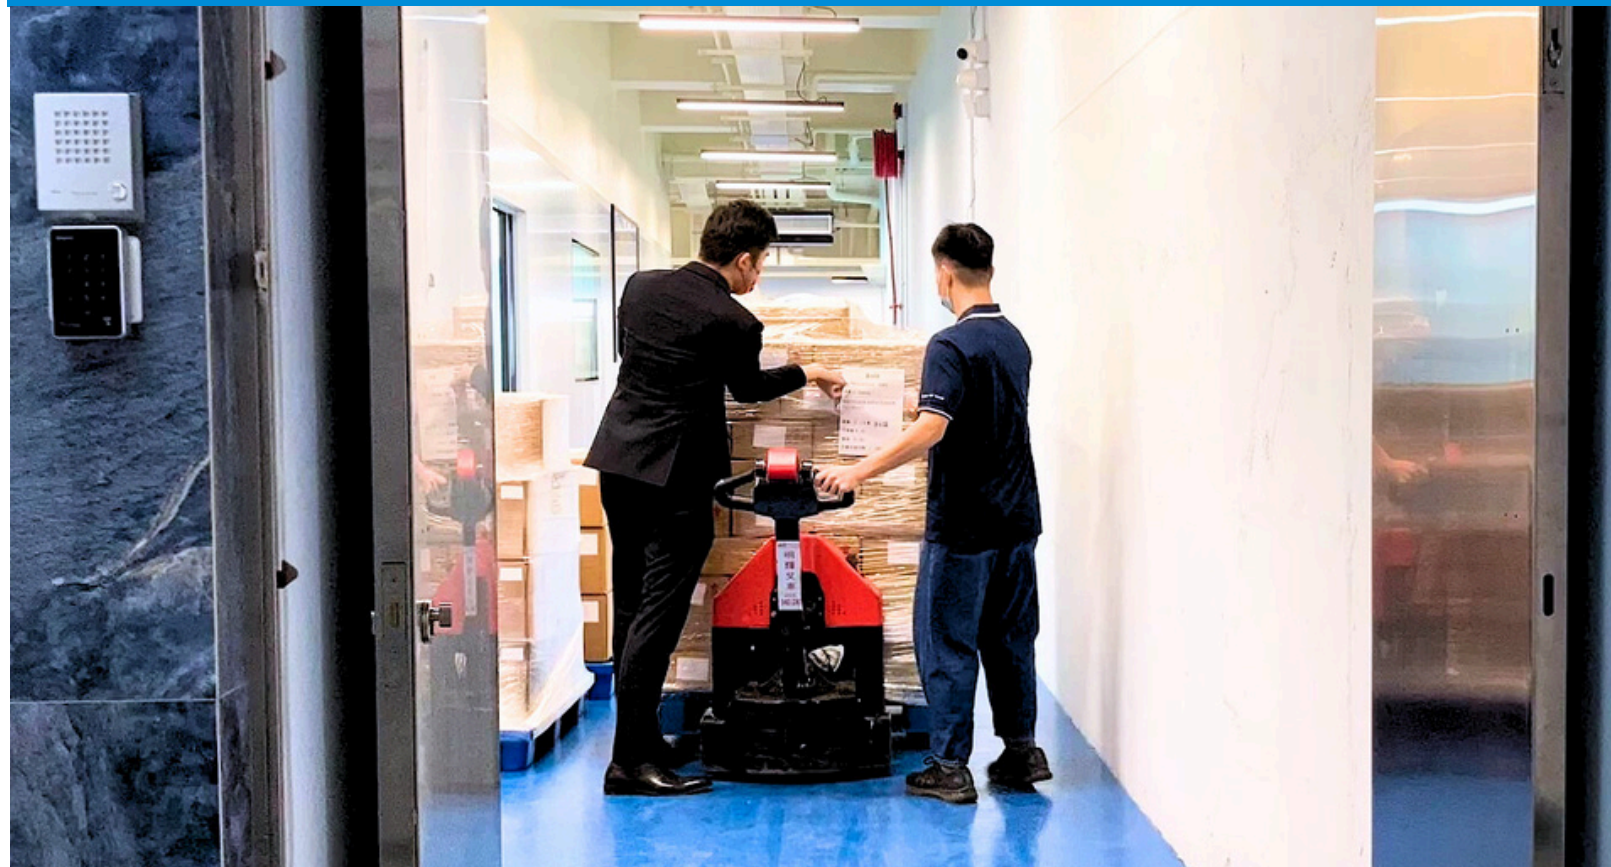

Services

- Warehousing Services
- Consolidation
- Domestic Transportation & Distribution
- Cross Border Transportation across Hong Kong & China
- Postponement Services
- Assembly and Packing Services
- Fulfillment Services
- Return Management Solutions

Postponement Services

Customers can stock core components & build a variety of finished products in the warehouse

- ✓ Final product customization before final transportation, meeting retailer demands
- ✓ Lower safety stock level & reduce inventory carrying cost

Return Management Solutions

Effective management of returns & reverse logistics, integral to e-commerce businesses

- ✓ Provide inspection, reselling & shipment re-routing for goods
- ✓ Handle termination & recycling for damaged/unwanted goods
- ✓ Provide liquidation consultancy

Assembly & PDQ Building Services

Combine semi-finished products into a single-selling unit

- ✓ Production system can be highly customized and implemented based on customers' products and requests
- ✓ Packaging in poly-bags, stand-up pouches, setup boxes

Fulfillment Services

Expert in inbound logistics, distribution & after-market services

- ✓ Manage our customers' inventories in an efficient manner
- ✓ Provide total logistic solutions by connecting warehouse & transportation services

Food-Grade Warehouse

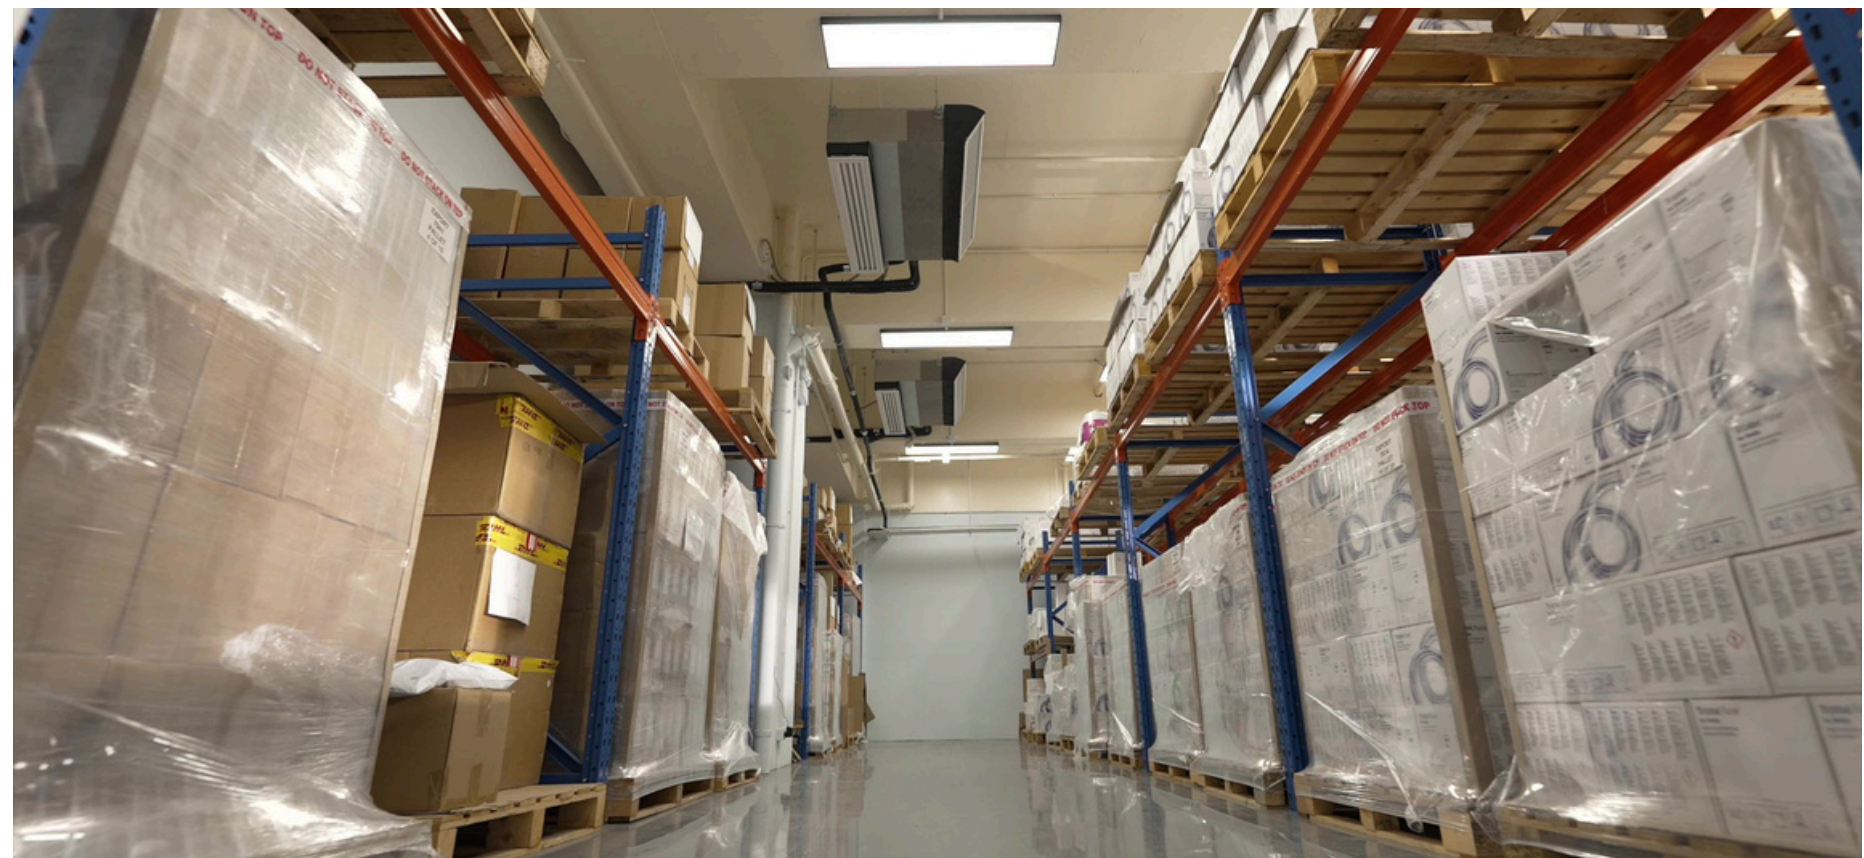

Equipped with state-of-the-art features, we can take care of your 3PL needs.
